

## Sponsor a runner's season

Carson City–Crystal Cross Country & Track  
A Michigan nonprofit · thedistanceproject.org

### What we are asking

We help Carson City–Crystal runners afford the things that decide whether they compete: shoes that fit, spikes for track season, a seat on the bus, a week at team camp. Most of what stops a kid running costs less than \$200.

**\$75**

**Practice shoes**

One athlete, whole season

**\$140**

**A week at camp**

Food, campsite, programming

**\$150**

**Competition spikes**

One athlete, track season

**\$280**

**Two runners at camp**

The pair who would miss out

### What you get

- Your logo on our supporters page, linked to your website.
- Named in the campaign your money funded — not a generic thank-you.
- A receipt with our EIN for your records.
- A note at season's end telling you what your gift actually paid for.

### Why you can trust it

- **Every dollar is published** — in, out, and what is still held, from our first gift.
- **Two signers on the account.** No one person can move the money.
- **The coach does not decide who gets funded.** Directors with no interest in it do.
- **We are new and say so.** No 501(c)(3) yet, no audit yet. It is all on the website.

### Check us before you give us anything

Scan the code for our full ledger — every gift received, everything spent, and the controls that make misuse difficult. Michigan entity **900221793** · EIN **42-2825158**. You can look us up in the state registry without asking us.
